# Using ABA WIX site

The ABA site is powered by WIX a website building tool.
You're here so you are already using it.
But, did you know you can also have it on your phone?
Or tablet?

Use the *Spaces* app to stay up to date

- Download *Spaces* from the PlayStore or Apple app store

- *Spaces* logo will appear on your phone

- Log in with your ABA website email and password

- Use the code: DOMALR

Welcome Page

- This is what you see when you first log in

- Click the logo to go directly to the member view

- You'll see notifications and chats at the bottom

Use the homepage to navigate the ABA site on your phone/tablet

- Announcements – we'll post urgent messages here
  - Scroll down this page to message ABA or visit the full website
- Forum
- Members list (of website)
- Events
- Blog
- Content (coming soon)

Notifications and Settings

- Use the icons on the upper right-hand side to
  - View notifications (bell)
  - Update your preferences for notification (three dots)

You decide to allow notifications or not
